

2024 Celebrating Salish Conference

6th Annual Salish Talent Show

Thursday, March 7, 2024

Northern Quest Resort and Casino
Pend Oreille Pavilion

All participants are encouraged to bring an original song, performance, act, talent, or whatever they “sing in the shower” to perform in the 6th Annual Salish Talent Show to be held at this year’s Celebrating Salish Conference.

There will be signups at the conference, and everyone is asked to register before 5pm on Thursday March 7. Participants will be asked to limit their performance to 5-7 minutes, so we can make sure we all get a chance to shine! Drum Songs with Salish/Kootenai lyrics, classroom songs, comedy routines, and staged performances, are just some of the things that would work. All we ask is that all performances must be in Salish/Kootenai (no English please).

This is not a competition, but a time to showcase our language and to show everyone that our language is alive and well. Youth, Adults, and Elders are all encouraged to come and showcase the successful revitalization efforts happening in your area. We expect to see all generations and all Tribes represented. Good luck and let’s get those ideas a-rolling!

For more information on the Talent Show please contact email:
